

**NSW DEPARTMENT OF PREMIER AND CABINET  
COUNTER TERRORISM**

The Office for Police, on behalf of the NSW Police Force, has requested that the following comments be made in response to the current review of the INSLM - Statutory Deadline Reviews:

*“NSWPF thanks Dr Renwick for the opportunity to comment.*

*NSWPF makes no comment on the effectiveness of Division 3A of the Commonwealth Crimes Act or Division 119 of the Criminal Code Act 1995 (Cth).*

*In respect of Divisions 104 and 105 of the Criminal Code Act, NSW Police consider that they are appropriate and remain necessary. Their retention in their current form is supported.*

*Finally, NSWPF would be grateful for further consultation at the appropriate time on any recommendations made by Dr Renwick.”*

Please let me know if you would like any further.

Regards

**Mark Follett | Director, Counter Terrorism**
